6. Service

- 6.1 Sky will transmit or arrange for transmission of the Channels by satellite(s). If during the Term there is a change – for whatever reason – in the manner in which the Channels are delivered or transmitted which would require you to make adjustments to your reception equipment to continue receiving service, Sky shall use reasonable endeavours to provide you with advance notice of such change. You recognise that it may not be possible for Sky to provide such advance notice, for example where changes arise because of events beyond Sky's control.
- 6.2 Sky warrants and represents that:
- (a) it shall not knowingly include in the Channels defamatory materials and the Channels will not contain anything which violates any copyright, right of privacy, literacy or dramatic right of any person or entity; and
 - (b) it will have obtained necessary licences and/or other approvals from any relevant collecting society or person for the broadcast of the Channels for reception in the Territory, save that Sky does not warrant or represent that it has obtained or will obtain public performance licences or pay the fees necessary for the exhibition of the Channels in public

PROVIDED ALWAYS THAT the warranties set out in (b) above are only as extensive as those provided to Sky by the suppliers of relevant programme material included in Sky's Channels and by the suppliers of third party Channels.

- 6.3 Sky may introduce new channels or replace, change or withdraw advertised programming or any Channel or multiplex of any Channel. Sky can change or reduce the broadcast hours of any of the Channels or encrypt or unencrypt any Channel. Sky may introduce new or withdraw channel package options and/or withdraw any Channel from any channel package option offered to you and offer it in an alternative package option.
- 6.4 Many Channels provided by Sky are supplied by other broadcasters and their availability is outside Sky's control. Some channels may also be accessible by virtue of them being on the digital satellite platform. These channels are not provided by Sky as part of your Option. You should check with the channel provider directly to confirm the licensing arrangements that apply to use in your Premises.
- 6.5 Sky may supply bonus channels or other free channels which you will not have to pay for. Sky can withdraw or change these channels or their multiplexes without giving notice to you. Sky can also change any channel which is provided free (including any multiplex) into a channel that must be paid for if you want to continue to receive it. Sky will tell you of such a change and the charges that will be payable.
- 6.6 Sky may offer you additional Premium Channels or Add-On Premium Channels or Add-On HD Channels. If such channels are offered under this Agreement and you decide to take them, they will then be included in the Service. Sky will inform you of any charges for the additional channels and the changes to the Subscription Payments.
- 6.7 Sky may offer additional programming or events to you that are available only to certain types of Sky Business customers. Such programming or events may be either free or for a charge. If offered under this Agreement, such programming or events shall be deemed to be "Channels" for the purposes of this Agreement. If such programming or events are offered on a PPV basis, the provisions of Condition 4.9 shall apply.
- 6.8 You will not use the Service or any part of it other than to exhibit, as permitted by this Agreement, the Channels at the Premises or as you are otherwise expressly authorised under this Agreement.
- 6.9 During advertising breaks or otherwise during the broadcast of the Channels, you will not exhibit any promotional or other material in such a way as to give viewers the impression that such material forms part of the broadcast of any of the Channels, or has been included, approved or endorsed by Sky, or that any Channel forms part of a broadcast or exhibition by you or a third party.
- 6.10 Sky will notify you if the withdrawal of a Channel in your Option will affect the Subscription Payments payable by you. Unless Sky notifies you otherwise, a reduction in the number, change in the identity, or restrictions on viewing of the Channels included in any Option will not alter the Subscription Payments payable by you.

APPLIES TO SUBSCRIBERS TO DTH AGREEMENTS ONLY

- 6.11 Subject to 5.13(e), you may convey the Service to more than one television set or screen in the Premises.

APPLIES TO SUBSCRIBERS TO HOTEL AGREEMENTS ONLY

- 6.12 Unless agreed with Sky in advance, you may only be a Bar Customer and exhibit Sky's Channels in your Bar(s) if you also distribute Sky's Channels to Rooms in the same Hotel Premises. You should refer to your Sky Package and Pricing flyer for the current choice of Channels and Bar Option available for Rooms and Bars and details of the monthly charges payable. The monthly charge set out in your Sky Package and Pricing flyer is quoted on a per Bar basis and will therefore be payable in respect of each Bar for which Bar Customers subscribe under this Agreement.
- 6.13 In your Rooms, if you are a Hotel Rooms SMATV Customer you can choose to receive any of the Channels or Bundles as set out in your Sky Package and Pricing flyer for Hotel Rooms or other channels which are offered to you by Sky from time to time, or if you are a Sky Select or Sky In-Room Customer, you can choose to receive any Option in the Sky Select or Sky In-Room Service (as applicable). In your Bar(s), Bar Customers will receive the Channel Package for Bars (or other Bar option offered) and, if any are offered, any Add-On Premium Channels or Add-On HD Channels that you choose to include in your Service. Your Rooms Channel selection is referred to as your Sky Select Service (if the Service is delivered via the Sky Bright Box) or Hotel Rooms SMATV Service (if the Service is delivered via a SMATV System), or Sky In-Room Service (if you receive the Service by DTH and retransmit to a Sky Box in each Room) as applicable. The Channel selection for Bar(s) is referred to as your "Bar Service". Reference to Services shall mean your Hotel Rooms SMATV Service (if any), Sky Select Service (if any), Sky In-Room Service (if any) and Bar Service (if any) together.
- 6.14 If Sky withdraws an additional Channel (not included in a Bundle) in your Hotel Rooms SMATV Service, Sky shall adjust the Charges payable by you accordingly. Sky may introduce new and/or withdraw channel package options from time to time.

- 6.15 Certain Sky Cinema Channels may show 12A and 15 rated content prior to the relevant watershed times. Normally this would be pin protected, however due to technical and logistical constraints subscribers to the Hotel Rooms SMATV Service, or Sky Select Service shall have the pin functionality disabled. In respect of the Sky Select Service or Hotel Rooms SMATV Service you hereby undertake full responsibility for choosing suitable Sky Cinema Channels for your guests to watch and advise the guests if there is any unsuitable content. In respect of the Sky In-Room Service you hereby undertake full responsibility to advise your guests (by including this information in your general TV information to guests and in a tent card by the TV or remote control) that it's their responsibility to ensure that minors do not watch inappropriate content.

You may only take the Sky+ Service and Sky HD Service if you subscribe to an Option.
- 6.17 We may offer you extra features or functionality. If we do this, we may increase your Subscription Payments.
- 6.18 We may supply extra features or functionality which you will not have to pay for. We can withdraw these features or functionality without giving notice to you. - 6.19 When this Agreement ends or you no longer choose to receive the Sky+ Service or the Sky HD Service, the PVR functionality of your Sky+HD Box will also end. For the avoidance of doubt, this means you will not be able to access any stored content or programming that you have recorded onto your Sky+HD Box and you will not be able to use any of the other Sky+ features and functionality.
- 6.20 Content or programming stored on the Sky+HD Box will no longer be accessible if you replace your Viewing Card with a new Viewing Card for any reason during the Term.
- 6.21 The Extra Capacity is owned by us, and may be used by us and any other party authorised by us, to provide you with Additional Services. Unless it is explicitly stated in your Sky Package and Pricing flyer, you are not authorised to use the Additional Services.
- 6.22 To access or use some or all of the content or features of Sky's Additional Services, you will need a Sky+ Service and/or Sky HD Service and will need to keep your Viewing Card in the Sky+HD Box. To receive all of Sky's Additional Services, your telephone line needs to be connected to your Sky+HD Box at all times and the Sky+HD Box needs to be in the standby mode while not in use.
- 6.23 If a usage charge payable to Sky applies to access or use any part of Sky's Additional Services you will be notified in advance of the applicable charge and of any other terms and conditions which apply.
- 6.24 Sky's Additional Services supplied to you may differ from that supplied to other viewers and are provided at Sky's discretion.
- 6.25 We may alter, suspend or stop making Sky's Additional Services available to you at any time. We may do this, for example, to update the service, for technical reasons, if you have missed any payments you owe us, or if you have broken the Conditions of any part of Sky's Additional Services or of another service provided by Sky. We can also change any Additional Services you are receiving into a Channel or a service that you must pay for if you want to continue to receive it. If we introduce a charge for Additional Services, we will tell you what charge will apply if you wish to continue to receive that service.
- 6.26 It may not be possible for you to receive Additional Services from more than one party at a time. Sky will not be responsible for Additional Services offered by any other party.

- 6.27 Unless we tell you otherwise, downloading content from the On Demand Service will count towards any broadband usage limits that apply to your broadband service. - 6.28 You will not use the On Demand Service or any part of it other than to view the On Demand content in private at the applicable Premises expressly authorised under this Agreement.

You shall take reasonable steps to ensure that any Viewing Cards, Sky remote controls and Sky Boxes shall remain safe and that you comply with any guidelines issued by Sky to you for keeping Sky Boxes well ventilated. It is your responsibility to advise Sky immediately if any Viewing Cards or Sky Boxes have been stolen from your Hotel Premises. Any replacement Sky Boxes, remote controls or Viewing Cards shall be at your own cost. You hereby agree to allow Sky or its authorised representative, on reasonable notice to you, to access your Hotel Premises to confirm that the Viewing Cards (and in the case of Sky Select Customers, Sky Pro-Cams) allocated to you are being used in compliance with these terms and conditions.

- 8.15 For the avoidance of doubt, the obligation to provide a Viewing Card under Conditions 8.9, 8.10, 8.14(a) and 8.14(b) above shall not apply where SSSL (or Sky) has already agreed to supply a Viewing Card to you in respect of any channel (or multiplex) under a separate agreement, where such separate agreement relates to rooms or areas in the same Premises and distribution occurs using the same equipment as used under this Agreement.
- 8.16 Subject to the limitations set out in this Condition 8:

In each case, the first fully paid Subscription at the Premises shall be the "Primary Subscription" for the purposes of this Condition 8. In the event that you have a current full price second Subscription (or, if applicable, third Subscription) for the same Premises, you may either cancel that Subscription and replace it with any applicable free or discounted additional Subscription (subject to the limitations set out in Condition 8.17 below) or take additional free or discounted Viewing Cards in accordance with these terms and conditions.

- 8.17 The Service offered on the additional Viewing Card(s) referred to in Conditions 8.16(a)-(d) above, shall be a limited list of Channels which Sky shall advise you of via its website <https://skyforbusiness.sky.com> from time to time and the Sky HD Service and Sky+ Service shall not be available. If you subscribe to a Residential Lettings Subscription and you choose to take additional Viewing Card(s) at the same Premises, you cannot select a different Service for your additional Viewing Cards and the availability of Sky+ Service will depend on the type of additional Sky Box provided. The additional Viewing Cards may only be used at the same Premises as the Primary Subscription. Sky may at its sole discretion black out certain content on Channels included in any additional Viewing Cards to ensure the Viewing Cards are not used for unauthorised purposes. You must give Sky or SSSL reasonable access to your Premises to check that any additional Viewing Cards are being used at the same Premises as the Primary Subscription.
- 8.18 Sky shall provide one set of free Sky Standard Satellite Equipment (if this has not already been provided) per additional free or discounted Viewing Card referred to in Condition 8.16 above, save for subscribers to the Pubs UK 30 Days Subscription and Residential Lettings Subscription, who may purchase additional Sky Standard Satellite Equipment at the price set out in the Sky Package and Pricing Flyer. You are responsible for installation and the costs related to the free or discounted Sky Standard Satellite Equipment hereto. Sky shall select the Sky Standard Satellite Equipment to be supplied hereunder, the system may not be new but will in any event have the benefit of a 12 month manufacturer's warranty. Timing and supply of the equipment may be subject to availability delay.
- 8.19 You must activate the additional Viewing Card(s) referred to in Condition 8.16 above within 10 days of delivery. If you do not then you shall be liable to pay to Sky an amount equal to the full cost to Sky for each free or discounted Sky Standard Satellite Equipment provided. At all times while the additional Viewing Cards are enabled for viewing, the primary Sky Box and the additional Sky Boxes must be connected to the same fixed and operational telephone line capable of making outgoing calls. If you fail to do this, then Sky may de-activate your additional Viewing Cards.
- 8.20 If your Primary Subscription is suspended or terminates for any reason then your additional Viewing Cards will also be suspended or terminated.

- 8.22 Provided your Premises has at least 20 Cabins, where you take the Service in 100% of Cabins (which is obligatory in respect of oil rigs) regardless of whether this is via a SMATV system or Sky In-Room Service or a combination of both, you will be entitled to 5 (five) Viewing Cards for use in the Communal Areas for no additional charge. SSSL may at any time invalidate Viewing Cards to protect the security of the conditional access system or if SSSL believes you are using or permitting the use of a Viewing Card in an unauthorised manner or for unauthorised purposes or otherwise if it is reasonable to do so.
- 9.3 We may suspend supply of the Service without notice to you by authorising SSSL to invalidate the Viewing Card if payment owed to Sky by you is overdue. Suspension will not affect Sky's right to terminate this Agreement under Condition 17.
- 9.4 If your Service is suspended pursuant to Condition 9.2 or 9.3 above, Sky may charge you a reconnection fee to start receiving your Sky TV service again. If a reconnection fee is payable, Sky will tell you the amount of this fee before charging you.

- 13.2 All rights, title and interest in and to the Channels and the Additional Services and all programmes, advertising and promotional materials, ideas, formats and concepts contained therein or used in connection therewith (including all copyrights) shall, as between the parties, at all times be the sole property of Sky or the relevant third party broadcaster (as the case may be) and you shall not make any express or implied claim to the contrary. You shall not do anything that may indicate that any other programming is part of, or connected with, the Channels or the Additional Services or originated by Sky.

14. Liability

Neither Sky nor SSSL has any liability under this Agreement in respect of any of the following:

- (c) any use of a Viewing Card or Sky Pro-Cam (if applicable) with any decoding apparatus not authorised by Sky;

- (e) the termination of this Agreement in accordance with its terms;

15. Copyright

- 15.1 You shall not copy (other than as permitted by sections 30(2) or 70 of the Copyright, Designs and Patents Act 1988 ("the Act")), redistribute or relay any of the Channels or any Additional Services or any part of them in the Premises or elsewhere (other than as expressly permitted by this Agreement) or otherwise deal with the Channels or any Additional Services or any part of them (other than as expressly permitted by section 30(2) of the Act).
- 15.2 You shall not exhibit any of the Channels or any Additional Services or any part of them in public in circumstances where the audience has paid for admission (within the meaning of the Act) to the place of exhibition or otherwise make any charge (whether direct or indirect) to any person for any of the Channels or any Additional Services (including for the right to receive any Channel or Additional Services for viewing of any Channel(s) or Additional Service(s) or programme(s)).
- 15.3 Sky may disable or alter remotely certain functions of your Sky Box or Sky Bright Box so as to prevent you from copying the Channels or any Additional Services and Sky may prevent you from receiving the Service and Additional Services if your Sky Box or Sky Bright Box allows copying of Channels or Additional Services which Sky is bound by contract to prevent.

16. Variation of the Agreement

At any time Sky may change or add to the terms of this Agreement as it believes necessary. Notice of such changes or additions, or any other notice to be given by Sky under this Agreement may be given by whatever means Sky chooses (subject to any statutory provision and notwithstanding Condition 19).

17. Termination

- 17.1 Unless otherwise stated in your Sky Package and Pricing flyer (for example, for Sky Select you are required to give Sky no less than 90 days' written notice to terminate), you may terminate this Agreement by giving Sky no less than 30 days' written notice:
 - (a) to expire on or at any time after the end of the Minimum Term; or
 - (b) to expire at the earliest on the date on which the variation takes effect, if Sky has given notice to you of a variation in accordance with Condition 7.3 that results in an increase to your subscription pricing during the Minimum Term (save that increases to the subscription pricing of additional Viewing Cards at any individual Premises shall only provide the Customer with a termination right in relation to the relevant additional Viewing Cards, and not the Customer's Primary Subscription); or
 - (c) if Sky has given notice to you of a variation in accordance with Condition 16 which results in a material change to the value of the Service as it pertains to the Customer's Premises to expire at the earliest on the date on which such material change takes effect or in accordance with 17.1 (a) whichever is the earliest.

If you wish to terminate this Agreement pursuant to (b) or (c) of this Condition 17.1, such notice must be given by you by no later than 30 days after the date on which the variation or restriction is notified to you.

- 17.2 Sky may terminate this Agreement at any time:
 - (a) by giving to you 7 days' written notice if you breach any provision of this Agreement (including non-payment of any Subscription Payment or amounts due on equipment) and if Sky terminates a Customer's Hotel Rooms SMATV Agreement, Hotel Sky Select Agreement, Hotel Bars Agreement or Hotel Sky In-Room Service Agreement (together "Hotel Agreements") due to non-payment of any Subscription Payment in respect of any such Hotel Agreements, Sky shall automatically terminate the remaining Hotel Agreements (if any) simultaneously; or
 - (b) immediately upon written notice where you become unable to pay your debts as they become due, become (or are reasonably likely to become) bankrupt or insolvent or make any composition with your creditors or where you go (or are reasonably likely to go) into receivership or liquidation (other than for the purposes of solvent amalgamation or reconstruction); or
 - (c) by giving at least 30 days' written notice to you.

- 17.3 If the Agreement is terminated during the Minimum Term other than in accordance with the provisions of Conditions 17.1 (b) or 17.1 (c) or 17.2 (c), you shall pay to Sky, being a reasonable pre-estimate of Sky's loss arising from your breach of this Agreement and/or any offer, an amount equal to:
- (a) if you have purchased Sky Satellite Equipment from Sky or a retailer selling such equipment on Sky's behalf, the balance remaining of the amortised cost to Sky for any free or discounted Sky Satellite Equipment and (if applicable) free or discounted installation provided to you by Sky and received by you at the termination date, if any. The amortisation of the Sky Satellite Equipment shall be calculated by reducing the normal cost to you of such items in equal monthly instalments at the end of each month of the Minimum Term; and
 - (b) the balance of the Subscription Payments (based on the Services including the Sky+ Service and Sky HD Service if applicable received by you at the termination date) that would have been due from you for the remainder of the Minimum Term of the Agreement (less 5% for accelerated payment).
- This Condition 17.3 shall be without prejudice or limitation to any other remedies available to Sky in respect of any breach of Agreement by you.
- 17.4 Following termination of this Agreement, any Viewing Cards or Sky Pro-Cams supplied to you under this Agreement will be invalidated and you will no longer be entitled to receive the Service. The termination of this Agreement may also affect the price you pay under other agreements you have with Sky.
- 17.5 No refund of Subscription Payments or equipment payment will be made to you where Sky terminates this Agreement in accordance with Condition 17.2(a) above.
- 17.6 Termination of this Agreement for whatever reason shall not affect the rights or remedies of either party in respect of any antecedent breach of this Agreement. Termination will not affect, suspend or release the parties from their rights, liabilities and obligations which are expressly or impliedly to survive termination.

APPLIES TO HOTEL AGREEMENTS ONLY

- 17.7 Subject to Condition 17.2, if the Hotel Rooms SMATV Agreement, Hotel Sky Select Agreement or Hotel Sky In-Room Service Agreement of any Bar Customer is terminated for any reason whatsoever, such that the Bar Customer does not have a Hotel Rooms SMATV Agreement or Hotel Sky Select Agreement or a Hotel Sky In-Room Service Agreement which covers 100% of the Rooms of the Hotel Premises at Sky's sole option, the Hotel Bars Agreement shall either:
- a) terminate automatically 30 days after the termination of the Hotel Rooms SMATV Agreement, Hotel Sky Select Agreement or Hotel Sky In-Room Service Agreement (as applicable); or
 - b) continue until terminated by either party and Sky shall be entitled to charge you then the current price for the Bar Service received until such date.

18. Right to Transfer Agreement

Sky reserves the right at any time to transfer its rights and/or obligations under this Agreement to any company, firm or person provided that the transfer will not affect your rights under this Agreement. You may not transfer any of your rights and obligations under this Agreement.

19. Notices

- 19.1 Any notice to be given under this Agreement must be in writing. A notice to you may be sent by fax or by pre-paid post or by email to, or in accordance with, the Customer's details for correspondence set out in the Contract Form of this Agreement or otherwise held on our customer management system for you. For the avoidance of doubt, a notice from Sky can be sent alone or with other material sent to you by Sky.
- 19.2 All notices shall be deemed (until the contrary is proved) to have been received three (3) days after posting or on the following day if sent by email (sb2b@sky.uk).

20. Miscellaneous

- 20.1 A waiver by either party of a breach of any term or condition of this Agreement in one instance shall not be deemed as a continuing waiver or a waiver of any subsequent breach.
- 20.2 If any term of this Agreement is found or otherwise deemed to be void and/or unenforceable then it shall be severed and struck out of this Agreement. All of the other provisions shall survive in full force and effect to the extent necessary to give effect to the intention of this Agreement.

- 20.3 The parties to this Agreement do not intend that any term of this Agreement shall be enforceable by a third party (as defined in the Contracts (Rights of Third Parties) Act 1999).
- 20.4 You agree to indemnify and hold Sky, its officers, directors and employees harmless from and against any and all claims, damages, liabilities, costs and expenses arising out of the breach of any representation, warranty, agreement or undertaking made by you under this Agreement.
- 20.5 References to "Viewing Card", "Sky Pro-Cam" and "Sky Box" in connection with the provision of the Service under this Agreement shall be deemed to be (and shall be construed as) references to (if more than one) all Viewing Cards and Sky Pro-Cams supplied pursuant to this Agreement and all Sky Boxes used for the purposes of distributing the Service in accordance with the terms of this Agreement.
- 20.6 All sums are quoted exclusive of VAT. In addition to such sums, you will pay all applicable VAT thereon.
- 20.7 Sky may at any time, without notice to you, set off any liability that you may have to Sky (or any Sky group company), whether under this Agreement or otherwise, against any liability that Sky may have to you. This applies whether any such liability is present or future, liquidated or unliquidated and irrespective of the currency of denomination. If the liabilities to be set off are expressed in different currencies, Sky may convert either liability at a market rate of exchange for the purpose of set off. Any exercise by Sky of its rights under this Condition shall be without prejudice to any other rights or remedies available to Sky under this Agreement or otherwise.

APPLIES TO INSTALLATION OF SKY STANDARD SATELLITE EQUIPMENT ONLY

For the avoidance of doubt Sky will not accept a screen that must be connected to a Sky+HD Box or SkyHD Box via component cables as HD Ready. If you tell us that an HD Ready screen is installed at the premises and the installer finds that there is no HD Ready screen with an HDMI input at the premises then your Sky HD Service will not be activated.

APPLIES TO INSTALLATION OF SKY BRIGHT BOX SATELLITE EQUIPMENT ONLY

Your HD Ready TV screens must be compatible with the Sky Select Service and Sky or its agents shall notify you of the make and model requirements for these screens prior to installation of the Sky Bright Box Satellite Equipment. If you tell us that compatible HD Ready screens are installed at the premises and the installer finds that there are no such compatible screens at the premises then your Sky Select Service will not be activated.

2. Access to Property

- (a) Once your application has been processed, we will contact you to arrange for installation of the Sky Satellite Equipment. We will organise a day for installation which is convenient to both you and us, but this will be subject to the availability to us of Sky Satellite Equipment.
- (b) You must ensure that we are able to access your Premises on the appointed day.

3. Consents and Permissions

The installation of the Sky Satellite Equipment may require the agreement or consent of, for example, a landlord or the local council or authority. You are responsible for ensuring that all these agreements and consents have been obtained before we commence installation.

4. Works Required and Payment

- (a) Our installation of the Sky Satellite Equipment will be carried out by an installer appointed by Sky or its duly authorised representative.

APPLIES TO INSTALLATION OF SKY STANDARD SATELLITE EQUIPMENT ONLY

- (b) A "standard installation" (as defined in Condition 1 above) of Sky Standard Satellite Equipment assumes that no additional cabling, bracketry or other equipment is required or any works are required which are beyond the scope usual in a normal installation. A 'standard' installation further assumes that if you already have Sky Standard Satellite Equipment, you will not continue to use it. You will be responsible for meeting all costs of installation carried out including standard installation (unless this is provided free as part of an offer) and beyond the standard installation (in all cases). Your installer will inform you of the costs of installation of Sky Standard Satellite Equipment before commencing work. Alternatively, if you do not agree to those charges, you may cancel your installation, and Sky or its retail agent will repay anything you have already paid for it. If you already have Sky Standard Satellite Equipment installed at your Premises, then some of this equipment may be used for the installation and use of your new Sky Standard Satellite Equipment.
- (c) Where any existing equipment needs to be upgraded or replaced for installation of a Sky+HD Box or SkyHD Box this will be carried out as part of the installation. If you already have Sky Standard Satellite Equipment that will continue to be used and/or have it relocated at your Premises, you must tell us at least 24 hours prior to the installation, and in that case a separate installation charge may be payable by you. If so, we will advise you of the amount of this charge, which must be paid before the day of installation of your Sky Standard Satellite Equipment. Please call 08448 244 244 (UK) or 0818 719 888 (Republic of Ireland), for further details and full installation options.
- (d) If you wish to have your Sky Box connected to a telephone or the internet (or you are required to have your Sky Box or Sky Bright Box (as applicable) connected under Condition 8.11 or 8.19 of the standard terms and conditions or as part of certain offer terms and conditions), it is your responsibility to have a telephone socket available close to the location of the installed Sky Box or Sky Bright Box (as applicable).

- (e) Unless we tell you otherwise, and provided you do not already have digital satellite equipment, the number of Sky Boxes that we can install at your Premises is restricted to a maximum of 4.

Please call **08448 244 244** (UK) or **0818 719 888** (ROI) for further details and full installation options. Sky Subscribers Services Limited Registered in England (No. 2340150) Registered Office: Grant Way, Isleworth, Middlesex, TW7 5QD.

WHAT TO DO NEXT

1. Please complete the relevant contract form, which will require you to identify if you require Sky to arrange an installation.
2. We will contact you by telephone to arrange a convenient installation date.
3. Your installation could take place at any time from 8.00am to 9.00pm on the installation day.
4. During your installation there must be someone on-site at your Premises who has your authority to:
 - give the engineer access to your Premises and show him/her where the Sky Box or Sky Bright Box (as applicable) is to be installed
 - help the engineer with any questions he/she may have regarding the installation
 - provide authorisation for any additional work and costs that need to be carried out.
5. Please ensure that the engineer has access to all areas of your Premises, including the roof, on the day of installation.
6. So that we can test your system and you start enjoying Sky, your Sky Viewing Card must be activated on the day of your installation.
7. If our engineer considers that additional work is required beyond the Standard Installation, it may be necessary to carry out a site survey of your Premises on another day to provide an accurate scope and costing for your installation. If this is the case, we will discuss this with you and all associated costs before any further work is carried out.
8. Any costs will be added to your Sky subscription account and payment collected according to the payment method you have chosen. Please do not pay the engineer.

RV PRICING POLICY

APPLIES TO ALL AGREEMENT TYPES ON RATEABLE VALUE PRICING IN UNITED KINGDOM AND NORTHERN IRELAND

1. Unless notified by Sky otherwise, the price of your Sky digital subscription is determined by the rateable value for your premises that came into effect on 1 April 2017 (in mainland UK) and 1 April 2015 (in Northern Ireland). For the avoidance of doubt, your Sky digital subscription will continue to be determined by these rateable value listings (i.e. 2017 in mainland UK and 2015 in Northern Ireland) until further notice by Sky.
2. The non-domestic rateable value for your Premises means the rateable value as shown on the non-domestic rating list of the relevant valuation authority / association. Please note that until we receive a copy of your annual non-domestic rates demand or other necessary documentation evidencing the rateable value for your Premises, Sky reserves the right to deem rateable value to be £999,999 and you will be charged accordingly.
3. The rateable value for your Premises can be obtained from the government body responsible for setting rateable values in your country of operation. A searchable database of the 2017 rating list for England & Wales can be found online at www.voa.gov.uk and for Scotland at www.saa.gov.uk. A searchable database of the 2015 rating list for Northern Ireland can be found at www.finance-ni.gov.uk/land-property-services
4. If (i) a successful rateable value appeal of an existing rating listing for the Premises is made to the government body responsible for setting rateable values in your country of operation; or (ii) you subsequently obtain a rateable value for your Premises for which no official rating had previously been listed by the governing body you must notify Sky (with documentation reasonably acceptable to Sky) confirming the change/new rating. Sky will vary the level of future payments accordingly. In these two circumstances Sky will allow you a credit for the difference between the previous and new Subscription Payments payable by you for the Premises. This credit will be made in respect of whichever is the shorter of either:
 - (a) the date from which the lower rateable value first applies until the date on which Sky receives proper notification from you of the change in/new rateable value; or
 - (b) 12 months.

For the avoidance of doubt, no credit or repayment will be due or made if notification of a decrease in rateable value is received by Sky after the end of the Term. If the rateable value of your Premises increases, you must notify Sky (with documentation reasonably acceptable to Sky) confirming the change. On receipt of written demand from Sky, you will immediately pay to Sky all additional sums due as a result of an increase in rateable value from the date on which such increase first applied to you, together with interest on such additional monies at the annual rate of 2% above HSBC's base rate from time to time (compounded monthly). If the rateable value of your Premises increases and you do not notify Sky with appropriate evidence of the new rateable value, you will be liable to pay the difference between your new rateable value and the old rateable value from the date the audit took place together with interest thereon.

APPLIES TO PUBS UK 12 MONTH, PUBS UK 30 DAYS, PUBS TENANCY AT WILL UK AGREEMENTS AND NI SPORTS CLUBS RECEIVING ADJUSTMENTS ONLY

5. No adjustments will be recognised in respect of Pubs UK 12 Month, Pubs UK 30 Days or Pubs Tenancy At Will UK pricing for food sales until Sky have received appropriate evidence showing the required eligibility criteria is met. In England and Wales, in respect of food sales adjustments you must submit a breakdown of your Fair Maintainable Trade, as split out on your Rateable Value Certificate/Summary Valuation. In Scotland, you are required to submit a Valuation sheet showing a breakdown of your Hypothetical Achievable Turnover, which can be requested from your local Scottish Assessors Association office.
6. No adjustments will be recognised in respect of Pubs UK 12 Month, Pubs UK 30 Days, Pubs Tenancy At Will UK or NI Sports Clubs' pricing for eligible sports areas until Sky have received appropriate evidence showing the required eligibility criteria is met. In England and Wales, this can often be found on the ratings list of the Valuation Office Agency website (www.voa.gov.uk), or will be on your Rateable Value Certificate/Summary Valuation. In Scotland, you are required to submit a Valuation sheet showing a breakdown of your rateable value detailing any outdoor sports areas that form part of your overall rateable value. This can be requested from your local Scottish Assessors Association office. In Northern Ireland, this can often be found on the ratings list of the Land and Property Services website (www.finance-ni.gov.uk/land-property-services). Sky has sole discretion to determine what constitutes an eligible sports area.
7. Please note that for the purposes of calculating the eligible sports area adjustment, Sky reserve the right to limit the portion of your rateable value which is attributable to your eligible sports area to a maximum of 15% of the total rateable value of the Premises. If Sky choose to exercise this right, then Sky will inform you upon signing up, or write to you to inform you of the change to your price.

8. All eligible Sports Area and Food Sales pricing adjustments will be applied to the first full billing month not yet billed following receipt of the appropriate evidence showing that the required eligibility criteria is met.
9. Sky will only apply credits in the two circumstances referred to in Condition 4 of this RV Pricing Policy. Sky will not apply credits associated with food sales or eligible sports area adjustments following an appeal of a rateable value.
10. You consent to Sky confirming and clarifying any information provided by you to Sky regarding your rateable value, (including in respect of any evidence provided for eligible sports areas or food sales adjustments that may be applicable), with any and all appropriate organisations, bodies and local authorities.
11. Sky or its nominated representative shall have the right during normal business hours and on reasonable notice to audit the books and records of your business to corroborate the rateable value documentation provided to Sky (including in respect of Fair Maintainable Trade in England and Wales or Hypothetical Achievable Turnover in Scotland). If an audit reveals that the information is insufficient or incorrect then Sky may withdraw any adjustments applied to the rateable value.

APPLIES TO ALL AGREEMENT TYPES ON LICENCE VALUE PRICING IN REPUBLIC OF IRELAND ONLY

1. Our pricing system is linked to the Licence Value or excise duty payable on your Publican's Licence. Please note that you will be charged at the highest band rate where there is no Licence Value available or payable, or until Sky receives a copy of the relevant publican's licence, evidencing the Licence Value on your Publican's Licence.
2. The Publican's Licence granted to your pub will clearly show on the right hand side the cost of Licence Value which will correspond to one of the price band categories A-F set out in the Sky Package and Pricing flyer. This will then allow you to establish the cost of the Sky subscription for your Premises.
3. If your Publican's Licence Value changes, there will be a corresponding change in your Sky subscription charge. Any change must be notified immediately to Sky in writing with a copy of the Publican's Licence attached. (Certification of the Licence Value on your Publican's Licence from your auditors in writing will also suffice). If the Licence Value of your Premises increases, you must notify Sky (with documentation reasonably acceptable to Sky) confirming the change. On receipt of a written demand from Sky, you will immediately pay to Sky all additional sums due as a result of an increase in Licence Value from the date on which such increase first applied to you, together with interest on such additional monies at the annual rate of 2% above HSBC's base rate from time to time (compounded monthly). If the Licence Value of your Premises increases and you do not notify Sky with appropriate evidence of the new Licence Value, you will be liable to pay the difference between your new Licence Value and the old Licence Value from the date the audit took place together with interest thereon.
